GMAT Information

The GMAT is a computer-adaptive test that assesses analytical, writing, quantitative, verbal and reading comprehension skills. The GMAT does not measure specific business knowledge or skill. It assesses analytical writing and problem solving abilities, while also addressing data sufficiency, logic and critical reasoning skills that are vital to real-world business and management success. Register for the GMAT exam at MBA.com.

Average GMAT Score: 510

GMAT waivers may be granted based on extensive managerial experience and a strong academic record.
