

The accounting program at Georgia Southern University, which is independently accredited by AACSB International, offers a four-year bachelor's degree and a Master of Accounting degree (MAcc). In order to be eligible to sit for the CPA exam, students are encouraged to complete the MAcc.

BBA in Accounting

The Bachelor of Business Administration (BBA) in accounting focuses on building the student's knowledge of general business, auditing, law, tax, and other accounting-related functions.

**AACSB
ACCREDITED
Accounting**

Fraud Certificate

The fraud certificate consists of 12 additional semester hours of undergraduate education designed to prepare future fraud investigators.

MAcc⁺

The MAcc allows students to continue their specialized studies in accounting. Many students who earn the MAcc degree seek careers as certified public accountants (CPA). The curriculum consists of 30 semester hours of coursework that prepares students to take the CPA exam.

WebMAcc⁺

The WebMAcc is the online MAcc program, and the curriculum consists of 30 semester hours. Students are required to complete two courses during the fall and spring semesters and one course during the summer for 6 consecutive semesters.

*Core coursework not included.

⁺Requires applicants to take and submit GMAT scores. Applicants are not required to have a degree in accounting but may need to complete prerequisites.
