

# JUST ASC!

The Academic Success Center is here to help during the transition. All you have to do is ask!

## SUCCESS COACHING

Working with Success Coach this semester? Your coach is still hard at work and ready to support you through this time of transition! You can schedule to meet for follow-up appointments, talk about referrals to university resources, wrap up AIP Summaries, and other needs. The instructions for scheduling an appointment can be found [here](#).

Interested in getting some extra support on this academic journey, opt-in to coaching [here](#).

## TUTORING & MENTORING

Tutoring will be available through online/virtual platforms. A full list of courses and instructions for scheduling tutoring can be found [here](#).

Peer mentoring has moved online too! Connect with your mentor [here](#).

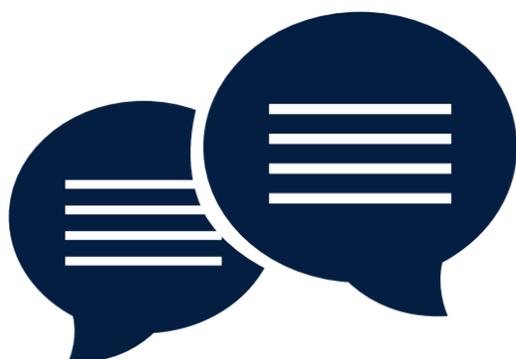

## WORKSHOPS & CONSULTS:

Workshops will be offered virtually and are designed for any student seeking to navigate this “new normal” online environment. We offer interactive, practical, webinar style workshops, quick fact tutorial videos and handouts. [Join us](#) and let us explore and learn together.

If you are looking for individualized, in depth assistance? Consider [scheduling](#) a one on one consult, also hosted virtually.

## COMMUNICATION:

Please remember that communication is key during this time of transition. If you aren't sure of something just ask us. We are all happy to help. To access contact info for our entire success team click [here](#).
